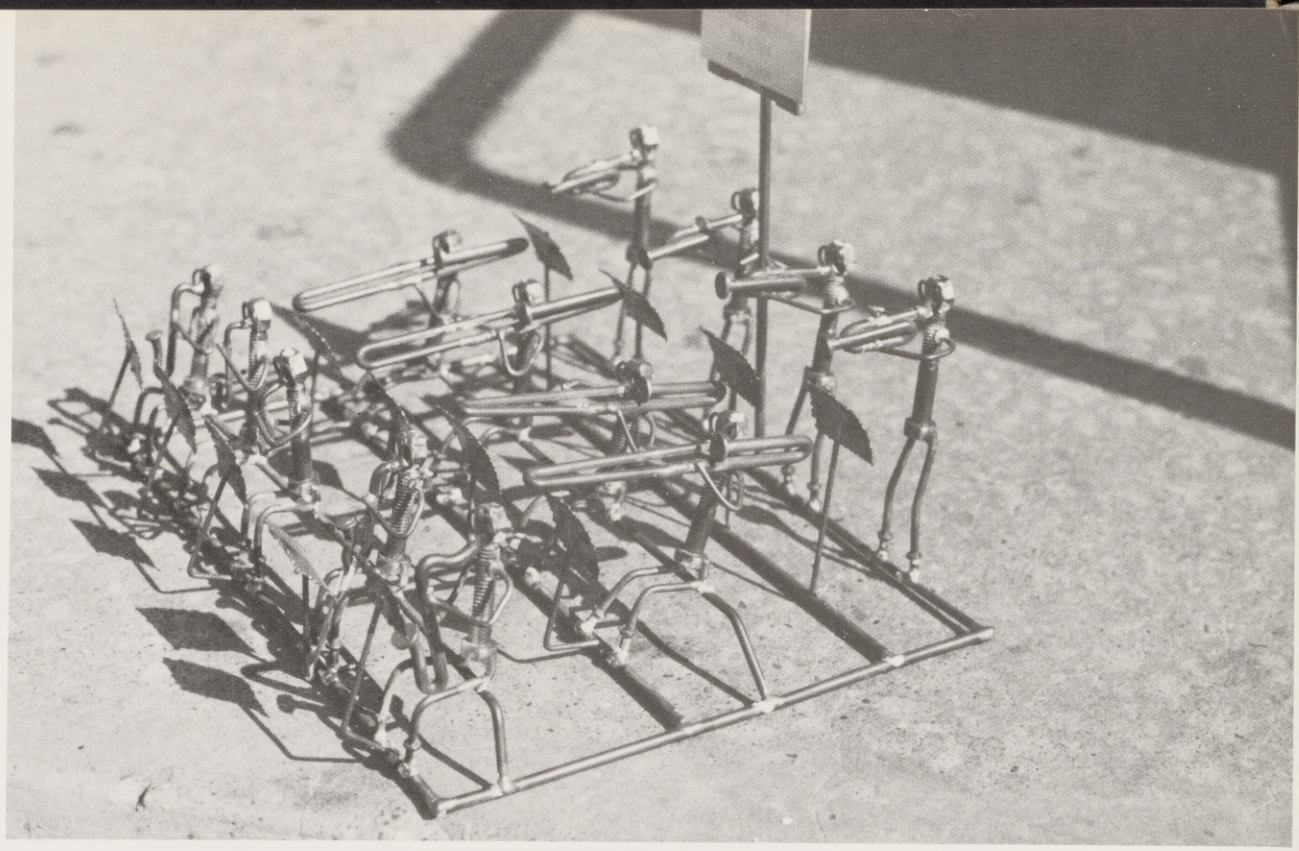
How does a spider walk on the water? Can people learn to become part of nature-to merge with the environment?

It's not showing, but sharing and feeling a respect for the environment:

Do you know what a flower smells like? And do you know, not because someone told you, that a flower is a thing of enjoyment and beauty?

Your answer is our future.

Sheila Hill



Sight Readings

I'm given to sing an unknown score,
new notes, new beats, new harmonies.
I never sang this song before.

The moving light composes more
than I conceive performing twice.
I'm given to read an unknown score.

With every look, this interval flare
of shadow startles me. No reprise.
I never sang this song before.

I finish. Another leaps the bar,
another, another. How memorize?
I'm given to read an unknown score.

Of always change, each turning hour
comes stranger music to my eyes.
I never sang this song before.

This very view, this signature of NOW!
From phrase to instant phrase I'm
given to read an unknown score.
I never sang this song before.

Remembering The Future

Not reconstruct the past,
Not backwards search for you,
for what you were.
As though you'd ceased to grow
at a stark moment. Not grope lost
days for signs. No, the present's right here,
you in its midst. And I
have only to face you now,
new every look,
as I, with time...and how
you change and yet persist, is why
I study love, and read its latest book.

Willie receives her commemorative pin and much applause.

"Willie"

Willie, our dearest, grandest, lady of journalism, these pages are for you. And for us because we love you and want to honor you in this small way. Ms. Harriet Williamson made a tremendous contribution to Richmond High School.

For thirty one years, Willie, as we affectionately call her, managed the Hi-Nus and Shield. She also taught two English I classes. In addition to these large responsibilities, she drove daily from Pescadero and ordered supplies for Williamsons' General store. She managed all these tasks with a smile and a happy heart.

A quote from the 1970 Shield, dedicated to Willie expresses all of our wishes for her. "Be peaceful because we salute you with all our hearts."

We love you Willie, for all you have given to us.

What is an individual? A separate identity . . . a separate part, surely.

And yet, an individual is part of the whole universe just as much as a tree, a rock or a river.

We are on the earth, and of the earth. We are each different, yet part of a whole, part of our earth and our universe. The students of Richmond High School are all separate individuals; each a rich collection of experience, a giant collage of the past. Yet we are all part of Richmond High School because we, (those who have come before, and those who will come after) . . . all of us together ARE Richmond High School. The following pages show Richmond High Students and faculty in many activities . . . together and as individuals.

Mr. Pete Ruffatto

Mr. Ruffatto taught in Richmond as an instrumental music teacher at Ells Junior and Senior High Schools. He was a counselor at Ells before becoming Dean of Boys at El Cerrito. Mr. Ruffatto has served as administrative vice-principal at Richmond High School. He was here one year at the old North Campus before they tore it down to make room for the new building.

PICTURED UPPER RIGHT is Mr. Ruffatto in his high school marching band uniform, he is the one on the left. IN THE LOWER LEFT PICTURE, he is on the extreme left, preparing for a backpacking expedition. Mr. Ruffatto as he is today. PICTURED ON THE OPPOSITE PAGE, is Mr. Ruffatto as a World War II Marine and as a very small child, on the right hand side of the lower photograph.

Who is an outstanding trumpet player and vocalist, has curly hair and an engaging smile? Pete Ruffatto! We dedicate our Shield to Mr. Ruffatto, a one time Richmond High Student and graduate.

Our administrative vice-principal was born in Benld Illinois, but moved to Richmond before elementary school. Mr. Ruffatto attended Santa Rosa Junior college and San Francisco State, where he graduated with bachelors and masters degrees in music. He decided to become a professional musician. He was the leader of a combo that appeared for many years at distinguished supper clubs and resorts. Part of his musical success must be attributed to his natural curly hair, that ever present smile that accentuates those large dimples, his over-all love for people and a very lovely wife, Jeanne. (They were high school sweethearts.) Mr. and Mrs. Ruffatto have one son, Jon, who recently graduated from the Maritime academy and who is now pursuing that as a career.

Pete's hobbies include flying and golf. He took flying lessons while in the Santa Rosa area, and although he is not a "pro" golfer, he is not bad for an educator.

Mr. Ruffatto has one older brother and one twin brother. Pete's professional nickname is "Nooche"; for an explanation, ask him.

One day that Mr. Ruffatto will always remember and perhaps would like to forget, is when he was first trumpeter with the Richmond Union High School band under the direction of Mr. George Morris. The band marched for the celebration of the opening of the Golden Gate Bridge. They marched from Market street in San Francisco out Van Ness to the Yacht Harbor and on to the ramp approaching the bridge. For some reason his trumpet failed to respond after those five miles of exhaustion.

During World War II, Mr. Ruffatto was a member of the U.S. Marine Corps. For an interesting ancedote, ask him about the day in the Hawaiian Islands that he stood on guard duty machine gun in hand expecting the arrival of the president of the United States, Franklin Delano Roosevelt.

The 1976 Shield Staff salutes Mr. Ruffatto as we proudly dedicate the Shield to him.

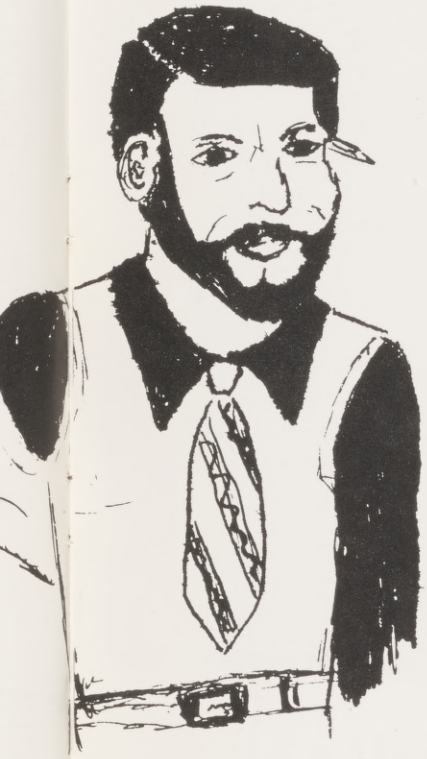
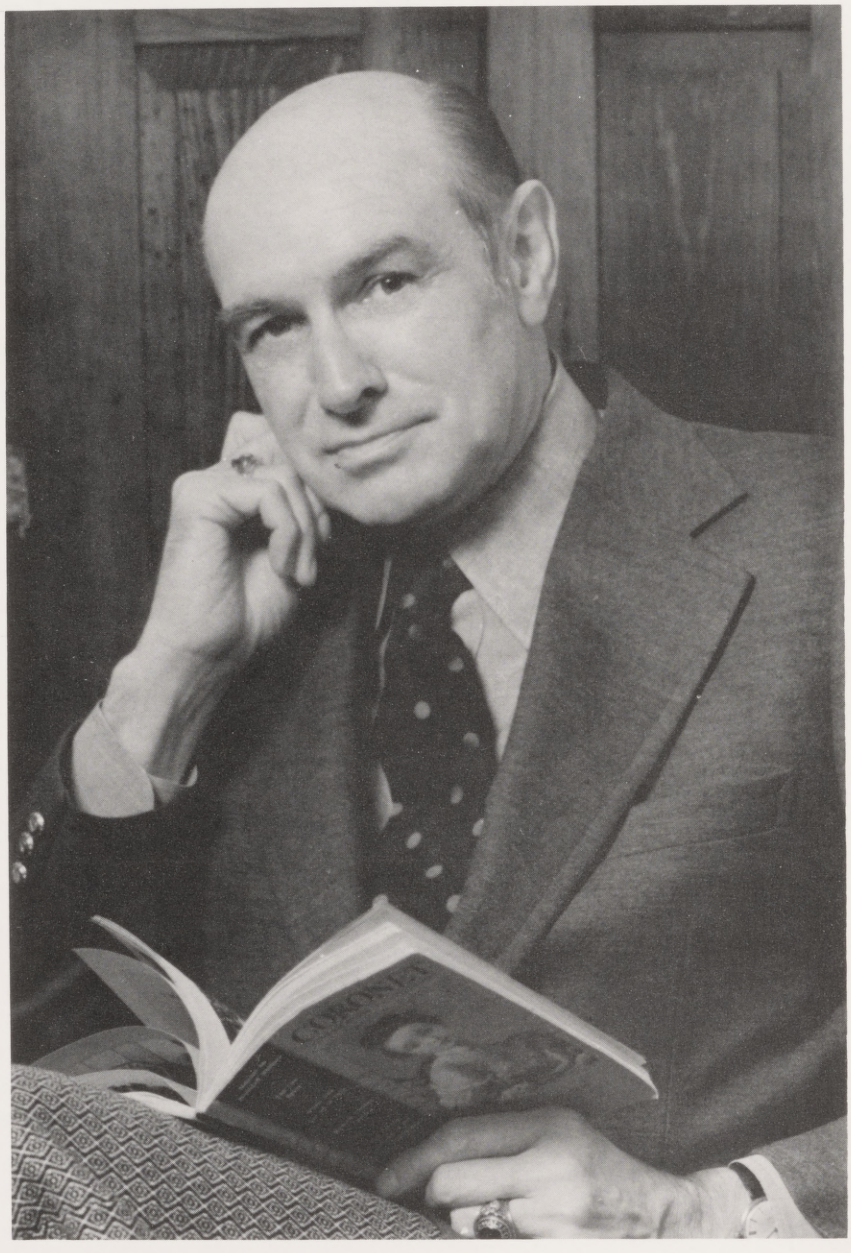
Teach Your Children



TEACH YOUR CHILDREN

You who are on the road
Must have a code that you can live by
And so become yourself
Because the past is just a good-bye.
Teach your children well
Their father's hell
Will slowly go by
And feed them on your dreams
The one you'll know by.
Don't you ever ask them why
If they told you, you would cry
So just look at them and sigh
And know they love you.
And you, of tender years
Can't know the fears
That your elders grew by
And so please help them with your youth
They seek the truth
Before they can die.
Can you hear and do you care
And can't you see we must be free
To teach our children what you believe in
Make a world that we can believe in
And know they love you.

Robert France Completes Ninth Year As Principal



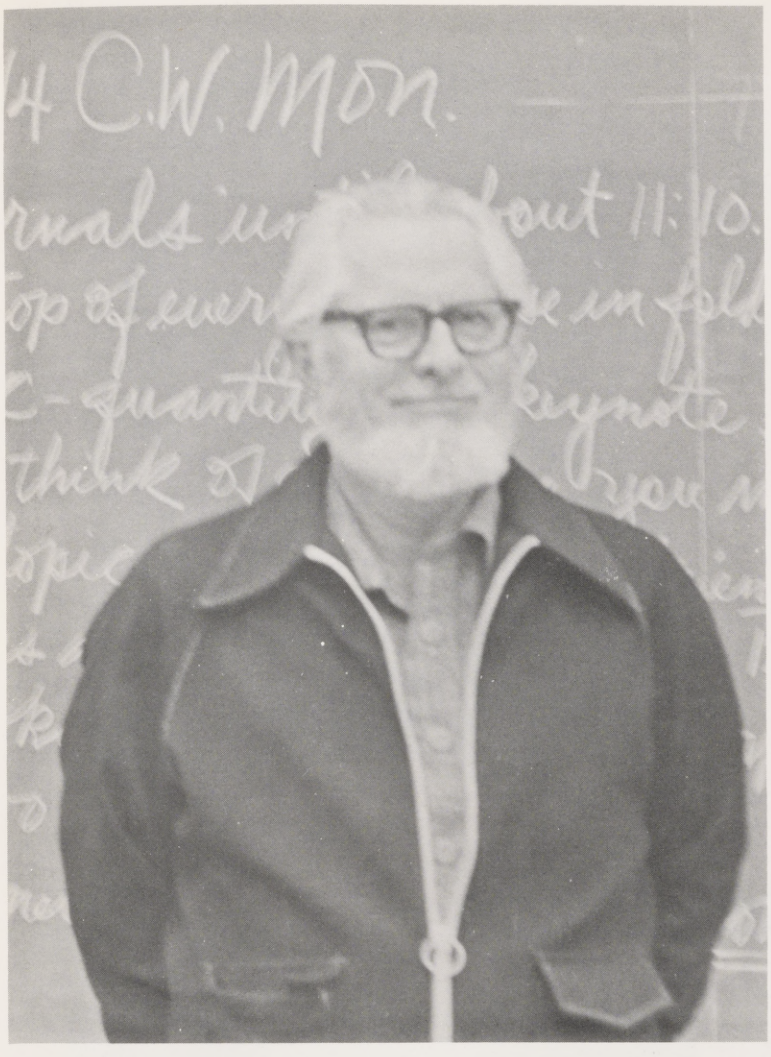
To the Seniors:

You are to be congratulated on finishing your high school education. You will look back with affection on the days you spent here; and as you go out into the community, you will appreciate the memories and traditions of Richmond High School.

The success of our society depends on your meeting the critical challenges that you face with a positive response. I am confident that you are willing and prepared to meet these challenges.

Accept my sincere good wishes.

Robert B. France
Principal



Hollis Bledsoe Retires

"Hollis Bledsoe has been the "radical in residence" of the English Department for many years. Insiders have been known to call him the "Old war horse" due to his consistent championing of causes. In recent years, budding young writers have appealed to Hollis for encouragement and criticism both in and out of class. Hollis has been a volatile but dynamic force in the department; he will be greatly missed in the years to come." remarks Linda A. Lester, English department Chairman.

Hollis D. Bledsoe has taught twenty seven years in Richmond High School. He began teaching in September 1949 and taught two years in Texas before W.W. II and one year after. He attended the University of Texas and the University of California.

"My favorite college courses were English, History, Political Science, and Economics." Mr. Bledsoe says.

Mr. Bledsoe's retirement plans are fishing, backpacking, and photography. He plans to be more active in the ecology movement.

"I plan to have the same lifestyle as now, but will shave the beard for my two months camping trip in New Hampshire and Maine next September and October because the natives in those mountains shoot anybody they think might be a hippie," grins Mr. Bledsoe.

Mr. Bledsoe remembers his most amusing experience in teaching: "I always heard that the schools were going downhill at a rapid rate and that students now days weren't as well educated as they had been in earlier years. I expected to see this in my own experience. After many years of teaching, I suddenly looked around and said, What the heck! These kids are not any worse than they used to be. In fact, in some ways they are better than they were before! My parting advice: "Save those trees!"

We believe these parting words from Mr. Robert B. France principal, speak for us all.

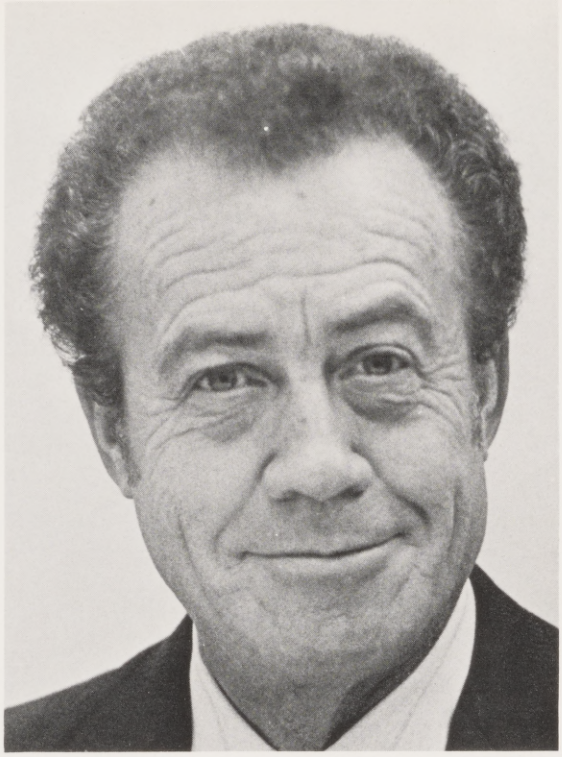
"Perhaps the accent has softened over the years, but there is still a lot of the Texas free spirit in one of the most venerable members of the Richmond High School faculty."

TO THE CLASS OF 1976:

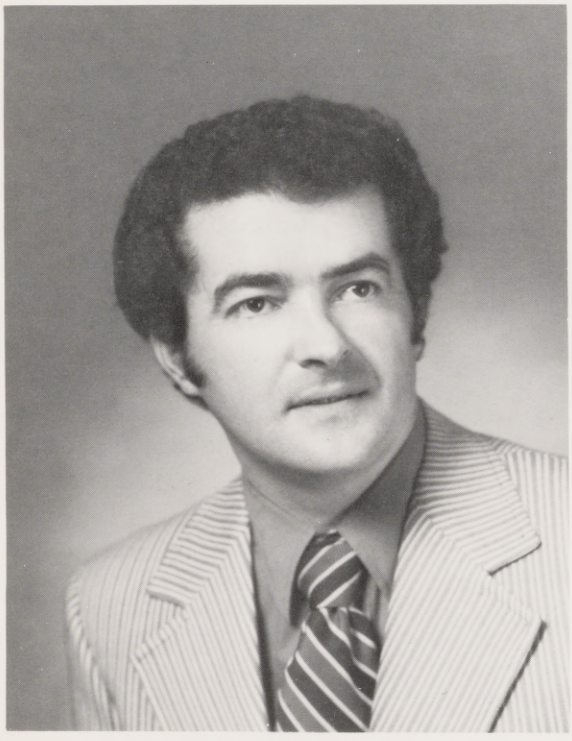
Best wishes for a successful future. You have shared the traditions and experience of Richmond High School with your classmates and the thousands of alumni who have preceeded you, and you will share them with the thousands who will follow you. You have done an excellent job in continuing the traditions of this school and in preparing yourselves for the unknown challenges that lie ahead.

Congratulations!

Peter A. Ruffatto



Vice Principals, Deans



TO THE CLASS OF 1976:

Congratulations Seniors! Many of you are now completing your formal education while others of you will go on to technical schools, four year colleges and universities. I hope you have prepared for your future so you may be able to take your rightful place in the world. Good luck and good fortune.

Hal Holt

TO THE CLASS OF 1976:

Congratulations to the Class of 1976. You have just completed an important phase of your life-high school graduation. Now comes the real test. The challenges of today's and tomorrow's ever changing world. Perhaps you, the members of this graduating class, will solve a good many of the world's remaining ills and perfect the social mechanisms by which all men may follow their ambitions without the threat of force. Hopefully, in the face of adversity, I am confident that you will pass the ULTIMATE TEST which lies before you. Good luck to each and every one of you. My best wishes for your future.

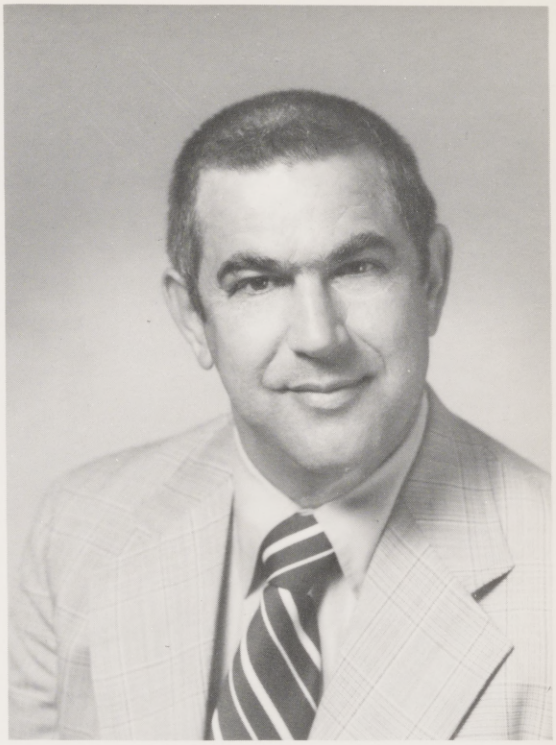
Dean of Students-Men



Congratulate Seniors

TO THE CLASS OF 1796:

The 1975-1976 Seniors with the proud red and blue of Richmond High School have been able to share their colors in the red, white and blue national bi-centennial celebration. While the bi-centennial has emphasized the accomplishments of the past two hundred years in this country, you graduated represent all the accomplishments possible in the future of the nation. Thank you for the positive impact of your individual contributions in the future, and thank you for the happy memories that we share of years past.

with affection,

Dee Merritt

Cesare Angella, a graduate of Richmond High School, as he appeared in the 1940 R.H.S. Senior Day production.

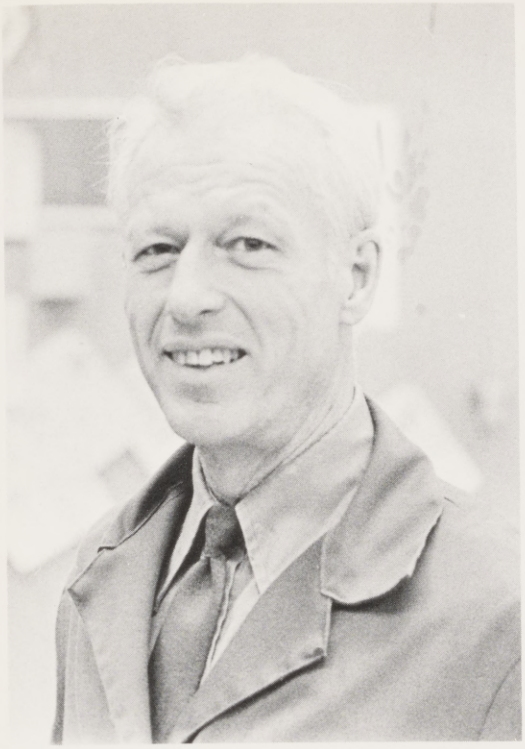
Mr. Angella in 1976 outside his classroom.

Mr. C. Angella is retiring after twenty nine and one half years of teaching. He has taught Electronics, Math and Drafting. He is a graduate of Richmond High School and the University of California at Berkeley, San Francisco State, and San Jose State. He entered teaching after spending four years in the Air Force where he attended radio communications schools and was a radio technician.

When asked to comment on the difference between schools then and now, he replied, "school was much different when I was a student. It was more formal, and there was much more dicipline. There seemed to be more school spirit in those days. However, today, a student has more of a choice in subjects and a bigger field from which to choose."

Mr. Angella's hobbies are Electronics, painting and traveling. The Shield staff wishes Mr. Angella many happy hours of painting and traveling after his retirement.

Cesare Peter Angello pictured in the June 1940 Shield. In this edition of the Shield, he was listed in the senior section in connection with a book title. (The whole senior class was listed with a title after each name. The title was supposed to have a humorous significance.) "First principles of Chemistry" was listed after Mr. Angella's name. Ask him for an explanation!



Mr. Briggs in 1976 in the print shop.

The Briggs' Kensington house in 1970. This project was built by Maynard and Anna Briggs and begun in 1949.

Maynard at work in 1975 at work on the house he and Anna are building near Yosemite.

GOODBYE MR. BRIGGS . . .

Mr. Maynard Briggs is retiring this year after thirty years of teaching. The print shop will not be the same without him. However Mr. Briggs was not always a printing and graphics teacher. He spent seven years of unceasing preparation in Art and Music appreciation. He taught Art classes at Richmond High for many years. Maynard's most enjoyable experience has been teaching (thirty years of enjoyment!) and printing, which is a close second in preference. He taught at Roosevelt Junior High for eleven years and at Richmond High for nineteen years. Maynard's most amusing experience is being involved in more printing jobs than could possibly be handled in a normal printing day and the certainty when doing a multi-page job that somewhere along the line one page would be done twice.

Future plans for this Renaissance Man are "completing our mountain house, remodeling old structures, and perhaps selling our Kensington house, part time living in Carmel Valley; at the same time exploring interests in illustrating and printing books of special interest such as the history of the aeromoter Windmill and history of the Mother Lode where our summers will be spent. Also painting, sculpturing, blacksmithing, forest culture, nativeplants, finishing and using a six inch telescope study of insects of the Mother Lode area--and especially sharing and planning all sorts of work projects with my wife Ann." We will miss you, gentle Maynard Briggs.

The Richmond High Forensics Union is an organization designed to help students improve their ability to speak in front of audiences. Students compete against speakers from other schools in debate, student congress, and individual events. It's not all hard work. Forensic Students have fun and at the same time meet students from all over the Nation. The organization is open to everyone.

TOP PICTURE: Mark Ellis! What did you say in your speech? BOTTOM PICTURE: Forensic Students show off plaques which are presented annually to outstanding students.

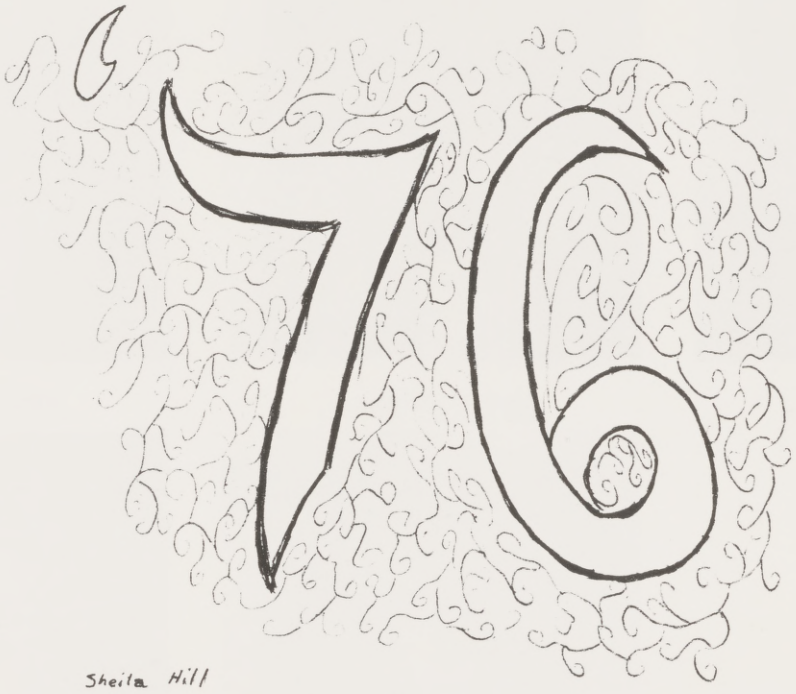
Richmond Students compete at the U.C. Berkeley Speech Invitational.

AT LEFT, Preston Kauk, Bryan Harter, Marion Ellis, Laura Ide and Gayle Tom are off to their next round.

BELOW, Bryan, Bruce Spurlock, Laura, Gayle, Joey Shoji and Preston rest between rounds.

Bruce Spurlock, Sandy Ruff, Preston Kauk, Mike DiMartino, and Bryan Harter. Winner: Mike DiMartino.

Did this begin as a "Friendly" debate?



"We, the last of all, are the first of all.

The oldest is always the newest,

I see nothing which I have seen before;

A man is never lost, he is only mislaid.

Got to move on, got to travel, walk away

my blues."

JAZZ BAND ENSEMBLE

1975-1976 was a tremendous year for the Jazz Band. 1975 found them participating in the Monterey Jazz Festival. This outstanding organization won the Monterey Invitational High School Jazz Competition and appeared with the professionals on Sept. 21st at the Monterey Jazz Festival. They have won several other festivals and have performed for the MENC (Music Educators National Conference). Congratulations Mr. Jay Lehmen and Students!

Yet another singular honor has been accorded the Richmond High School Jazz Ensemble. The winner of this years annual California State High School Jazz Band Competition. The band under the direction of Mr. Jay Lehman has been invited to appear at the third annual National Association of Jazz Educators (NAJE).

Marching Band 1975-1976

The Richmond High Marching Band under the direction of Mr. Jay Lehman and drum major Bruce Spurlock auditioned for the priviledge of marching in the American On Parade" Bicentennial program at Disneyland. They were immediately accepted and went to Disneyland in Anahein California, November 15,16, 1975.

Fund raising activities include the Spegehetti feed held on Nov. 12, and candy sales. The band would like to express there thank to all who supported them.

Rehearsals in preparation for the trip were held Tuesdays and Thursdays after school. The band worked on routenes and parade marching--sometimes until 6:30 in the evening.

The most spirited marching band member was offered a free trip. The decision was hard to make but finally Ron Jones was chosen for the award.

Early Saturday morning, the band boarded the plane to Orange County. They stayed at the Holiday Inn in Anaheim and spent Saturday and most of Sunday having fun in Disneyland.

They started marching from the rear entrance of Disneyland and paraded down Main St. past a crowd of 30,000 cheering spectators.

GYMNASTICS 1975-1976

The 1975-1976 gymnastic season began in early November with the first flag meets and ended for the RHS team January 24 with the Sectional Compulsory Meet Held at DeAnza. The season started later than usual because the routines were changed this year, as they are every four years.

Flag meets are held in the beginning of the season so the gymnasts can see how they perform under pressure of the competition. The competition is between two teams with one woman from one team against another woman from the other team. The gymnast having the best routine wins three points for her team, the loser receiving only two points for her team. The team with the highest score wins meet. The results of the flag meets this season are as follows:

Against Pinole: RHS Beginners Won
RHS Novices Won
Against Kennedy: RHS BEG. Won
RHS Novices Lost
Against DeAnza: RHS Beginners Lost
RHS Novices Lost

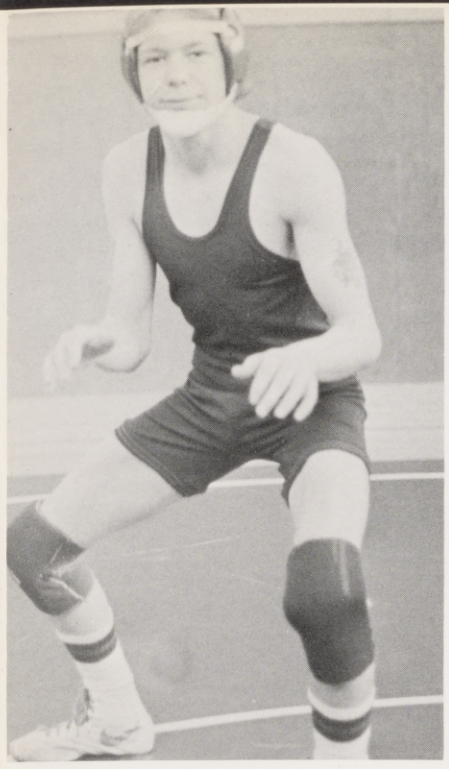
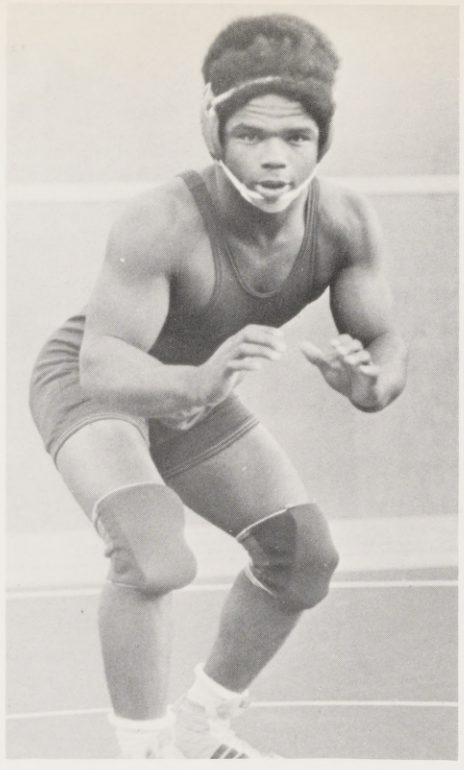
RICHMOND HIGH WRESTLING 1976

1975 found the Oiler Red and Blue placing fourth in the closest fought battle ever between the top four teams for the League Championship Tournament. Six Oilers went on to represent Richmond at the Region 3 elimination Tournament at Redwood High in Marin County.

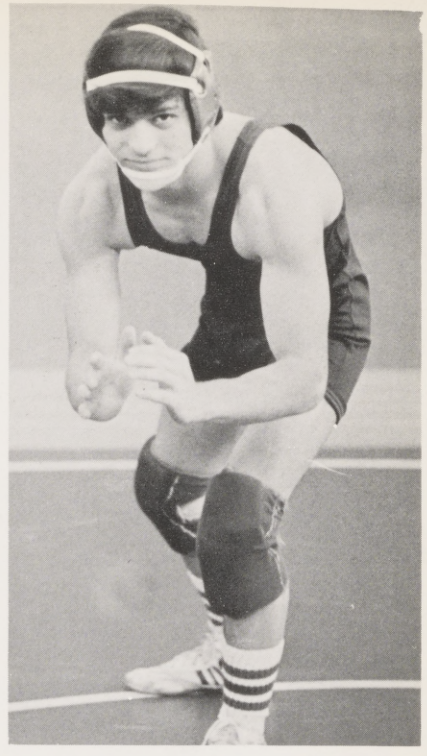
This years team is off to a great start, in fact the best start ever, with the team placing 9th at the tough Samuel Ayer Tournament and then a close 3rd at the 6th Richmond City Invitational Tournament. These are 16 team tournaments. This is the highest we've ever placed in these two tournaments. In our first two dual matches we traveled to San Francisco and stomped all over George Washington winning 59-12, and set two school records: (1) for the highest team score and (2) for the most pins in a row 7. Then the Oilers took on always tough McClymonds, on the home blue battlefield and won a tough match 39-27. Steve Forsen also set a school record at the Richmond City Tourney at Pinole Valley pinning his opponent in 7 seconds. This years team is the best all around well balanced team to ever be assembled in the last 6 years at Richmond High School. The top six wrestlers are SCUDDER, 103, BORELIZ 127, AGUILAR 133., HERNANDEZ 133, BICKHAM 165, and PEDESCLEAUX 191.



TOM SCUDDER: Senior, 4 yr wrestler; His lifetime record is a 36-32-1 and was 24-8-0 last year. Against George Washington he wrestled at 112 and won a 12-0 decision, then came back against McClymonds and at 103 won an 8-1 decision. At the Richmond City Tournament he won his first match 17-0, won his second on a default won his third on a 10-7 decision and in the Championship match won on a pin in the first round.



KEITH PEDESCLEAUX, a three yr. wrestler with a lifetime best of 26-14-0 and was 24-11-0 last year. Against Washington he won on a first round pin. against McClymonds won on a maximum decision 14-0 and at the Richmond City Tournament, took third place winning the first and second match on pins and the final match 14-0. He had a great year in football All League full back, and he should be all league in wrestling.



MIKE BORELIZ, 4 year wrestler His lifetime record is 36-26-0 and was 22-11-0 last year. In San Francisco against Washington Mike won on a pin in the third round at 135 lbs. Against McClymonds, he won on a pin in the second round. At the 6th Richmond Tourney, he was our second Champion at 129. Won the first match with a pin in the first round, won the second match 8-1 and his third match 13-4. In the Championship match he won a tough match 3-2 Mike is a fine all around wrestler and an outstanding student.

DEBRA COLEMAN

Debra has been a Richmond High School outstanding athlete. She has played Badminton for three years and Volleyball for two years. Deborah has been described as an all-around athlete by her coaches Mrs. Yates, and Mrs. Rozewski. Mrs. Yates describes Deborah as "an outstanding competitor who is capable of competing both as an individual (on the Badminton team) and as a team member (on the Volleyball team). She is intelligent and possesses skills as well as natural ability. Deborah is full of fun, has leadership qualities and courage. She was captain of the A volleyball Squad for the two years of its existance at Richmond High School. She is liked by her team mates and it will be a difficult job to replace her on the team."

"Deborah Coleman and Phyllis Bell represented Richmond High School proudly and always as ladies both traveling and on their home court," comments Mrs. Yates. Congratulations Deborah on a fine job!

PHYLLIS BELL

Phyllis has been an outstanding athlete at Richmond High School. She has played Badminton for three years, volleyball for two years, & basketball for one year. "Phyllis has shown considerable leadership ability, maturity and competitive zeal" remarks Mrs. Rozewski. Mr. Texdahl, basketball coach comments, "Phyllis is definately competitive. She hasn't missed a basketball practice and has dedicated herself to improvement. At the beginning she sat on the bench behind Bethina Marroti. When Bethina moved, Phyllis was told she would have to play the entire game, as center, without rest. She did this with determination and was instrumental in our WIN over Kennedy. She hustled, she rebounded and played extremely well on defense. Her coaches describe her as competitive, courageous, dedicated and sportwomanlike. Mrs. Yates remarks "It will be difficult to replace such a fine player as Phyllis, she is an excellent individual sportswoman as well as a capable team member. "Phyllis has remarkable skill as well as natural ability."

Congratulations Phyllis on a job well done!

Hard at work in the print shop.

Its not the end, its the beginning of a new life;
for responsibilities love and caring.

So live your life a happy life, be your self and smile
